

LIDL GB vs ALDI UK - SOCIAL MEDIA COMPETITIVE ANALYSIS

Marketing Data Analysis & Sentiment Modeling | Developed by Luca Sedda

PROJECT OVERVIEW:

Comparative social media analysis of Lidl GB and Aldi UK across Instagram, Facebook & X.

Sample dataset of 120 posts (2025-2026) manually collected and categorized across 4 themes:

Brand Value, Events, Memes, and Product.

METHODOLOGY & TOOLS:

- Microsoft Excel: Data collection, category taxonomy, engagement rate computation.
- R Environment: Lexicon-based sentiment analysis and audience perception modeling.

KEY METRICS ANALYZED:

- Engagement Rate (Interactions / Followers)
- Sentiment Ratio (Positive vs Negative comments, neutral filtered out)

STRATEGIC RECOMMENDATIONS FOR LIDL GB: Content frequency optimization & meme format lever.
